

2020 RAMBEAUX PINOT NOIR

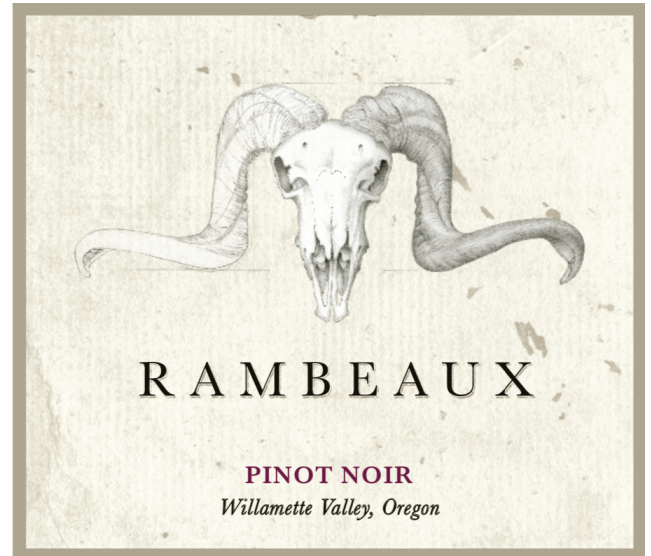

This offspring of our Dusky Goose brand is sophisticated and approachable, with the quality you'd expect from our winemaking team. Sourced from premier vineyards, the Rambeaux Family of Wines are a beautiful representation of the Willamette Valley

Vintage Notes

The 2020 growing season began with a mostly cool, wet spring. Bud break and flowering were a little on the early side and less than ideal conditions during flowering resulted in a light crop. Fortunately, the quality of the fruit that did set was excellent. The small loose clusters resulted in fruit with low disease pressure and the potential for highly concentrated color, flavor, and aroma. Overall, the growing season was very warm and as harvest approached, wind and rain accelerated picking decisions and resulted in wines that show the ripeness of the warm summer balanced with the freshness of an early harvest.

Tasting Notes

This Pinot Noir opens up to lovely blackberry, cedar box and black tea profile. The dark fruit is complemented with baking spice and minerality with soft tannins and a rich finish.
