

# 2022 RAMBEAUX CHARDONNAY

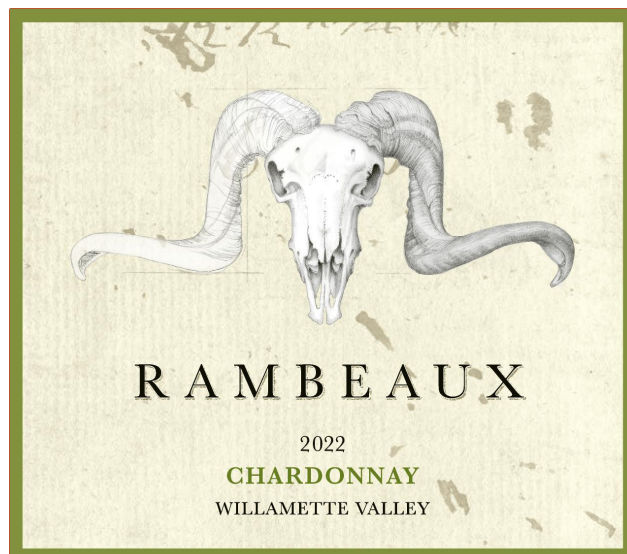

*Born from the Dusky Goose tradition, Rambeaux wines are both sophisticated and inviting, delivering the quality you expect from our winemaking team and vineyard sources.*

## Vintage Notes

The 2022 vintage began with a long, wet winter, and bud break was met with a frost event that set the growing season back by nearly a month. Once the vines recovered, warm and dry conditions held steady through mid-October, giving the fruit time to fully ripen before the fall rains arrived. While yields were down approximately 40% due to the frost, the fruit we harvested was exceptional—concentrated, balanced, and expressive.

## Tasting Notes

A nose of freshly baked bread, lemon curd and minerality open to a bright and round palate, complemented by lemon-lime and wet stone flavors.
