

2024 RAMBEAUX ROSÉ

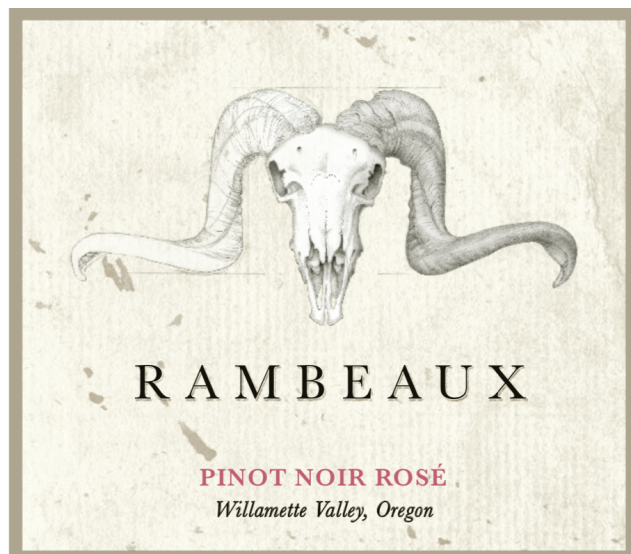

Born from the Dusky Goose tradition, Rambeaux wines are both sophisticated and inviting, delivering the quality you expect from our winemaking team and vineyard sources.

Vintage Notes

A cool spring gave way to steady summer warmth, with a July heatwave shaping a variable but ultimately healthy fruit set. Yields were generous, with small to moderate clusters offering great flavor concentration. A warm, mostly dry September set the stage for an early, balanced harvest. Across the board, quality is high—bright, expressive wines with freshness and finesse.

Tasting Notes

Aromatics of watermelon candy, honeysuckle, and ripe peach lead into a clean, textured palate. Juicy strawberry, bright salinity, and a hint of vanilla linger through the mineral-driven finish.
